On January 24, 2018, the Compensation Committee (the "Committee") of the Board of Directors of Agile Therapeutics, Inc. (the "Company") granted performance-based restricted stock units ("Performance Units") under the Company's 2014 Incentive Compensation Plan (the "Plan"), to the named executive officers of the Company, subject to the terms and conditions set forth in the issuance agreement for such Performance Units (the "Performance Unit Issuance Agreement") and the Plan. At that time, the Committee approved the target number of Performance Units (equal to 100% of the Performance Units subject to

the award, or the "Target Award") and the percentages of the Target Award to be received for achievement of the performance goals during the performance period beginning on the date of grant and ending on December 31, 2019 (the "Performance Period"), as set forth below.

Name	Title	Target Award of Performance Units
Al Altomari	Chairman and Chief Executive Officer ("CEO")	125,000
Scott Coiante	Vice President and Chief Financial Officer ("CFO")	50,000
Elizabeth Garner M.D., M.P.H.	Senior Vice President and Chief Medical Officer ("CMO")	50,000

The Performance Units vest as follows: (i) 75% of the Target Award vests if the Primary Performance Goal (as defined in the participants' Performance Unit Issuance Agreement) is satisfied during the Performance Period, and (ii) 25% of the Target Award vests if the Secondary Performance Goal (as defined in the participants' Performance Unit Issuance Agreement) is satisfied during the Performance Period, provided that in either case the participant remains employed by the Company until the payment date for the vested Performance Units. Notwithstanding the foregoing, the Committee has the discretion to increase or decrease the number of shares of common stock that vest by up to 25% of the Target Award based on Company performance in meeting the Performance Goals. Vested Performance Units will be paid in the form of shares of the Company's common stock between January 1, 2020 and March 15, 2020. If a participant's employment with the Company ends for any reason prior to the payment of the shares, or if the Performance Goals are not satisfied on or prior to the end of the Performance Period, the participant will forfeit the Performance Units, except as provided below.

Upon a Change in Control (as defined in the participants' Performance Unit Issuance Agreement) on or prior to the end of the Performance Period, the Performance Units outstanding at the time of the Change in Control will vest immediately upon the closing of the Change in Control as follows: (a) 75% of the Target Award will vest if the Primary Performance Goal has been met (or could still be met) and (b) 25% of the Target Award will vest regardless of whether or not the Secondary Performance Goal has been met, provided that in either case the participant remains employed by the Company through the closing of the Change in Control. The Committee has the discretion to

increase or decrease the number of shares of common stock that vest by up to 25% of the Target Award based on Company performance in meeting the Performance Goals. The shares of common stock subject to those vested Performance Units will be issued as soon as possible after the Change in Control, or will be converted into the same consideration payable to the other Company shareholders.

The form of Performance Unit Issuance Agreement to be used to evidence awards of Performance Units under the Plan is included as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.

**PERFORMANCE UNIT ISSUANCE AGREEMENT**

**RECITALS**

The Board has adopted the Plan for the purpose of retaining the services of selected Employees, non-employee members of the Board (or the board of directors of any Parent or Subsidiary) and consultants and other independent advisors who provide services to the Corporation (or any Parent or Subsidiary).
- B. The Participant is to render valuable services to the Corporation (or a Subsidiary), and this Agreement is executed pursuant to, and is intended to carry out the purposes of, the Plan in connection with the Corporation's issuance of shares of Common Stock to the Participant under the Stock Issuance Program.
- C. All capitalized terms in this Agreement shall have the meaning assigned to them in the attached Appendix A.

**NOW, THEREFORE**, it is hereby agreed as follows:

1. **Grant of Performance Units.** The Corporation hereby awards to the Participant, as of the Award Date, a target award of the number of Performance Units specified in the Award Summary below (the "Target Award"). Each Performance Unit represents the right to receive one share of Common Stock on the specified Issue Date if the Performance Goals and other conditions in this Agreement are met. The Performance Goals, the Performance Period, the date on which shares of Common Stock may become issuable to the Participant and the remaining terms and conditions governing the Award shall be as set forth in this Agreement. Notwithstanding anything to the contrary, this Award shall replace the performance unit award granted as of April 11, 2017 (the "2017 Award"), and the Participant agrees that the 2017 Award shall have no force and effect.

**AWARD SUMMARY**

**Award Date:** [ ]

**Target Award:** shares of Common Stock

**Performance Goals:** 75% of the Target Award shall vest upon (the "Primary Goal").

25% of the Target Award shall vest upon (the "Secondary Goal").

Notwithstanding the foregoing, the Plan Administrator shall have the discretion to increase or decrease the number of shares of Common Stock that vest by up to 25% of the Target Award based on Company performance in meeting the Primary Goal and/or Secondary Goal.

**Performance Period:** The Performance Period is the period beginning on the Award Date and ending [ ]

2. **Vesting.**

(a) Subject to Paragraph 5, the Participant shall vest in the Performance Units as follows (if at all): (i) the Participant shall vest in 75% of the Target Award if the Primary Goal is satisfied and if the Participant remains in Service through the Issue Date; and (ii) the Participant shall vest in 25% of the Target Award if the Secondary Goal is satisfied and if the Participant remains in Service through the Issue Date. Notwithstanding the foregoing, the Plan Administrator shall have the discretion to increase or decrease the number of shares of Common Stock that vest by up to 25% of the Target Award based on Company performance in meeting the Primary Goal and/or Secondary Goal.

(b) At the end of the Performance Period, the Plan Administrator will determine whether and to what extent the Primary Goal and the Secondary Goal have been met and the amount to be paid to the Participant with respect to the Performance Units. Except as described in Paragraph 5 below, the Participant must be providing Service to the Corporation on the Issue Date in order for the Participant to receive payment with respect to the Performance Units.

3. **Cessation of Service.** Except as otherwise provided in Paragraph 5 below, should the Participant cease Service for any reason prior to the Issue Date, then the Performance Units will be immediately cancelled. The Participant shall thereupon cease to have any right or entitlement to receive any shares of Common Stock under the Performance Units.

4. **Payment with Respect to Performance Units.** If the Plan Administrator determines that the conditions to payment of the Performance Units have been met as set forth in this Agreement, the Corporation shall pay to the Participant shares of Common Stock equal to the number of Performance Units to be paid according to achievement of the Primary Goal and Secondary Goal, as applicable, in accordance with Paragraph 2, subject to the payment of all Withholding Taxes as set forth in Paragraph 9. Payment of the shares of Common Stock shall be made (if at all) between and , except as provided in Paragraph 5 below.

5. **Change in Control.**

(a) In the event of a Change in Control on or prior to the end of the Performance Period, (i) 75% of the Target Award shall vest if the Primary Goal has been met or and (ii) 25% of the Target Award shall vest regardless of whether or not the Secondary Goal has been met, provided that in either case the Participant remains in Service through the Change in Control. Notwithstanding the foregoing, the Plan Administrator shall have the discretion to increase or decrease the number of shares of Common Stock that vest upon a Change in Control by up to 25% of the Target Award based on Company performance in meeting the Primary Goal and/or Secondary Goal. The shares of Common Stock subject to those vested Performance Units will be issued immediately upon the Change in Control or as soon as administratively practicable thereafter, but in no event more than fifteen (15) business days after

such closing, or will otherwise be converted into the right to receive the same consideration per share of Common Stock payable to the other shareholders of the Corporation in consummation of the Change in Control and distributed at the same time as such stockholder payments, but the distribution to the Participant shall in no event be made later than the *later* of (i) the close of the calendar year in which the Change in Control is effected or (ii) the fifteenth (15th) day of the third (3rd) calendar month following the effective date of such Change in Control.

(b) This Agreement shall not in any way affect the right of the Corporation to adjust, reclassify, reorganize or otherwise change its capital or business structure or to merge, consolidate, dissolve, liquidate or sell or transfer all or any part of its business or assets.

---

6. **Limited Transferability.** Prior to the actual issuance of shares of Common Stock under the Award, the Participant may not transfer any interest in the Performance Units or the underlying shares of Common Stock; **provided, however,** any Performance Units which vest hereunder but which otherwise remain unpaid at the time of the Participant's death may be transferred pursuant to the provisions of the Participant's will or the laws of inheritance or to the Participant's designated beneficiary or beneficiaries of the Award. The Participant may also direct the Corporation to issue stock certificates for any shares of Common Stock which in fact become issuable hereunder to one or more designated Family Members or a trust established for the Participant and/or his or her Family Members. The Participant may make a beneficiary designation or certificate directive for the Award at any time by filing the appropriate form with the Plan Administrator or its designee.

7. **Stockholder Rights.** Neither the Participant nor any other person having an interest in the Award, shall have any stockholder rights, including voting or dividend rights, with respect to the shares of Common Stock underlying the Award until the Participant becomes the record holder of those shares following their actual issuance upon the Corporation's collection of the applicable Withholding Taxes.

8. **Adjustment in Shares.** Should any change be made to the outstanding Common Stock by reason of any stock split, stock dividend, recapitalization, combination of shares, exchange of shares, spin-off transaction or other change affecting the outstanding Common Stock as a class without the Corporation's receipt of consideration, or should the value of the outstanding shares of Common Stock be substantially reduced as a result of a spin-off transaction or an extraordinary dividend or distribution or should there occur any merger, consolidation or other reorganization (including, without limitation, a Change in Control transaction) then equitable adjustments shall be made to the total number and/or class of securities issuable pursuant to the Award in such manner as the Plan Administrator deems appropriate in order to reflect such change and thereby prevent the dilution or enlargement of benefits hereunder.

9. **Collection of Withholding Taxes.**

(a) Upon the applicable Issue Date, the Corporation shall issue to or on behalf of the Participant a certificate (which may be in electronic form) for the applicable number of underlying shares of Common Stock, subject, however, to the Corporation's collection of the applicable Withholding Taxes.

(b) Until such time as the Corporation provides the Participant with written or electronic notice to the contrary, the Corporation shall collect the Withholding Taxes required to be withheld with respect to the issuance of the shares of Common Stock underlying vested Performance Units hereunder through an automatic share withholding procedure pursuant to which the Corporation will withhold, at the time of such issuance, a portion of the shares with a Fair Market Value (measured as of the issuance date) equal to the amount of those taxes (the "Share Withholding Method"); **provided, however,** that the amount of any shares so withheld shall not exceed the amount necessary to satisfy the Corporation's required tax withholding obligations using the minimum statutory withholding rates for federal and state tax purposes that are applicable to supplemental taxable income.

(c) Should any shares of Common Stock underlying Performance Units be distributed at a time that the Share Withholding Method is not available, then the Withholding Taxes required to be withheld with respect to those shares shall be collected from the Participant through either of the following alternatives:

- the Participant's delivery of his or her separate check payable to the Corporation in the amount of such Withholding Taxes, or

---

- the use of the proceeds from a next-day sale of the shares issued to the Participant, provided and only if (i) such a sale is permissible under the Corporation's trading policies governing the sale of Common Stock, (ii) the Participant makes an irrevocable commitment, on or before the Issue Date for those shares, to effect such sale of the shares and (iii) the transaction is not otherwise deemed to constitute a prohibited loan under Section 402 of the Sarbanes-Oxley Act of 2002.

(d) Notwithstanding the provisions of subparagraphs (a) and (b) of this Paragraph 9, the employee portion of the federal, state and local employment taxes required to be withheld by the Corporation in connection with the vesting of the Performance Units (the "Employment Taxes") shall in all events be collected from the Participant no later than the last business day of the calendar year in which the Performance Units vest hereunder. Accordingly, to the extent the Issue Date for one or more vested Performance Units is to occur in a year subsequent to the calendar year in which those Performance Units vest, the Participant shall, on or before the last business day of the calendar year in which the Performance Units vest, deliver to the Corporation a check payable to its order in the dollar amount equal to the Employment Taxes required to be withheld with respect to those Performance Units. The provisions of this Paragraph 9(d) shall be applicable only to the extent necessary to comply with the applicable tax withholding requirements of Code Section 3121(v).

(e) Except as otherwise provided in Paragraph 5, the settlement of all Performance Units which vest under the Award shall be made solely in shares of Common Stock. In no event, however, shall any fractional shares be issued. Accordingly, the total number of shares of Common Stock to be issued pursuant to the Award shall, to the extent necessary, be rounded down to the next whole share in order to avoid the issuance of a fractional share.

10. **Compliance with Laws and Regulations.** The issuance of shares of Common Stock pursuant to the Award shall be subject to compliance by the Corporation and the Participant with all applicable requirements of law relating thereto and with all applicable regulations of any stock exchange on which the Common Stock may be listed for trading at the time of such issuance.

11. **Notices.** Any notice required to be given or delivered to the Corporation under the terms of this Agreement shall be in writing and addressed to the Corporation at its principal corporate offices. Except to the extent electronic notice is expressly authorized hereunder, any notice required to

be given or delivered to the Participant shall be in writing and addressed to the Participant at the address indicated below the Participant's signature line on this Agreement. All notices shall be deemed effective upon personal delivery (or electronic delivery to the extent authorized hereunder) or upon deposit in the U.S. mail, postage prepaid and properly addressed to the party to be notified.

12. **Successors and Assigns.** Except to the extent otherwise provided in this Agreement, the provisions of this Agreement shall inure to the benefit of, and be binding upon, the Corporation and its successors and assigns and the Participant, the Participant's assigns, the legal representatives, heirs and legatees of the Participant's estate and any beneficiaries of the Award designated by the Participant.

13. **Construction.** This Agreement and the Award evidenced hereby are made and granted pursuant to the Plan and are in all respects limited by and subject to the terms of the Plan. All decisions of the Committee and Plan Administrator with respect to any question or issue arising under the Plan or this Agreement shall be conclusive and binding on all persons having an interest in the Award.

---

14. **Code Section 409A.** It is the intention of the parties that the provisions of this Agreement shall comply with the requirements of the short-term deferral exception to Section 409A of the Code and Treasury Regulations Section 1.409A-1(b)(4). Accordingly, to the extent there is any ambiguity as to whether one or more provisions of this Agreement would otherwise contravene the requirements or limitations of Code Section 409A applicable to such short-term deferral exception, then those provisions shall be interpreted and applied in a manner that does not result in a violation of the requirements or limitations of Code Section 409A and the Treasury Regulations thereunder that apply to such exception.

15. **Governing Law.** The interpretation, performance and enforcement of this Agreement shall be governed by the laws of the State of Delaware without resort to that State's conflict-of-laws rules.

16. **Employment at Will.** Nothing in this Agreement or in the Plan shall confer upon the Participant any right to continue in Service for any period of specific duration or interfere with or otherwise restrict in any way the rights of the Corporation (or any Parent or Subsidiary employing or retaining the Participant) or of the Participant, which rights are hereby expressly reserved by each, to terminate the Participant's Service at any time for any reason, with or without cause.

17. **Recoupment.** The Award shall be subject to any clawback, recoupment or other similar policy adopted by the Board as in effect from time to time, and the Award and any cash, shares of Common Stock or other property or amounts due, paid or issued to the Participant shall be subject to the terms of such policy, as in effect from time to time.

IN WITNESS WHEREOF, the parties have executed this Agreement on the day and year first indicated above.
